1) No records are available to show as to why the increments as they fell due were not sanctioned and paid to the party nor is there any recorded evidence to show that the party used to urge for the increments due to him from time to time except that what he has stated in his representation given shortly before his retirement (Vide his letter dated 29-12-1944) There is however a note of the then auditor of the Municipality stating that the increments were withheld for inefficiency and misconduct According to G O No L 7487-507/M1 151-32-15 dated 18-4-34 (copy herewith enclosed) the grant of increments in the grade was subject to his passing the obligatory departmental examination-Local Boards Examination, which he has not done Records are also not forthcoming to show that he has been exempted from passing the examination It is possible that he might not have been given the increments under the above circumstances

Subject - Arrears of increment due to M S Anantharamiah, retired Bill Collector of this Municipality

I have the honour to state that one M S Anantharamiah retired from Municipal service as bill collector on Rs 25/- (in the grade Rs 25-1-30) from 2-1-45 on attaining the age of Superannuation The official was promoted to the above grade in the year 1930 and the first increment raising his pay from Rs Rs 25/- to Rs 26/- in the grade Rs 25-1-30 was due to him on 13-12-1931 In the ordinary course of things he ought to have reached the maximum of Rs 30/- in his graded pay from 6-1-1936 till the date of his retirement But he retired from service on Rs 25/- without the increments being sanctioned

Shortly before retirement he submitted representation praying for the grant of arrears of increment so that he may get the maximum pension admissible as per rules There is nothing on record to show why his increments were withheld It is perhaps due to the reason that he used to bring collections belatedly and in order to goad him on to be more punctual, his increments might have been withheld But since there is nothing on record against him except that he was fined for small collections as in the case of many other colleagues in the office The Managing Committee considered his representation in all its implications and after much deliberation recommended his case to the Council who in their resolution No 689 dated 28th January 1946 sanctioned the grant of arrears of increment due to the official Copies of the Resolutions of the Committee

P T O

~~AND-OF-THE-~~

and of the Council are enclosed A bill for the amount due to the official was then prepared and sent to the Auditor for being passed in audit But he has raised an objection that as the arrears relate to the claim more than 15 years old sanction of Government is necessary to pass the claim in audit etc

Although the official retired from service on 2-1-45 his pension papers have not been completed as yet This can be done only after the arrears of increment due to him is drawn and disbursed He is now drawing an anticipatory pension of Rs 10/- plm and has been pressing this office for deciding his pension case The Comptroller to the Government of Mysore is also urging very frequently to work on the pension papers in full to enable him to settle the claim As the Muncipal Council have already resolved the grant of arrears of increment and as the auditor has objected that the arrears being more than 15 years old requires sanction of Government I request that sanction of Government may kindly be obtained for passing the claim in audit and disbursing the same to the official

I have the honour to be,
Sir,
